# MATERIAL AND LUBRICANT DESCRIPTIONS

## PRODUCT MATERIAL DESCRIPTION:

*All Pure Romance product materials are phthalate-free.*

### **ABS (Acrylonitrile, Butadiene, and Styrene)**

A hard, nonporous, durable, and easy-to-clean plastic.

### **PVC (Polyvinyl Chloride)**

A soft plastic material.

### **S (Silicone)**

A high-quality, hygienic, nonporous, durable material.

### **TPE/TPR (Thermoplastic Elastomer / Thermoplastic Rubber)**

A hygienic, soft, pliable, durable, body-safe material that is typically applied over ABS.

### **SP (Silver Plating)**

A silver plating that is typically applied over ABS.

### **PU Cote (Polyurethane Coating)**

A velvety texture that is typically applied over ABS.

### **BG (Borosilicate Glass)**

A smooth, durable, non-porous glass that can be warmed or cooled for your pleasure.

## WATER RESISTANCE:

### **SHOWER**

Shower-friendly design doesn't mind a little water.

### **BATH**

Bath-friendly design can be submerged up to 1 meter/3.28 feet for up to 30 minutes.

### **YES**

Suitable for any type of water play. This item has no motor, so water doesn't affect it.

### **NO**

Not suitable for any type of water play. This item is not water-proof.

## LUBRICANTS:

*These are merely suggestions for use with Pure Romance products. As per industry standards, it is recommend to not use a silicone lubricant with a silicone product.*

### **W (Water-based Lubricant)**

Just Like Me, Pure Naked, and Seductive Spotlight Water-Based Personal Lubricant are pH-balanced, paraben-free, water-based lubricants designed to imitate your vagina's natural lubrication.

### **P (Pure Pleasure)**

Pure Pleasure is a pH-balanced, gentle, silicone-based lubricant. It is ideal for prolonged sexual activity, water play, and anal play.

### **SS (Simply Silk)**

Simply Silk is a pH-balanced lubricant designed to have the silky feeling of a silicone lubricant. It is safe to use with all bedroom accessories (including silicone toys).

### **C (Creamy Lubricant)**

Whipped is a creamy, playful lubricant that increases the skin's hydration by reducing evaporation.

### **Sensations (Warming Lubricant)**

Sensations is a playful lubricant that warms with friction or your warm breath.
